Introduction

Flying Grammar Intermediate is a six-level grammar program that helps students enhance their speaking and writing accuracy and fluency by providing the important basic grammar points. Students acquire the core grammar skills while they write their own experiences using the grammar points in each lesson. The learners can have the concrete grammar skills and apply their grammar knowledge in their English expressions with more confidence.

Grammar Point

This section introduces new grammar concepts with the clear definitions and tables showing grammatical forms, meanings, and usage.
